Catalog Produced by Jennifer Anderson and the QData Catalog Builder™

Catalog information herein contained has been compiled by QData's automated QData Catalog Builder system and Jennifer Anderson (the Sale Company) from information furnished by, but not limited to, the following: the QData Database, the American Quarter Horse Association, the American Paint Horse Association, the National Cutting Horse Association, American Cutting Horse Association, National Reining Horse Association, National Reined Cowhorse Association, National Stock Horse Association, National Snaffle Bit Association, Palomino Horse Breeders of America, Appaloosa Horse Club and other organizations; foreign breed & event associations and the Jockey Club Information System, as well as published public show results. Some dollar figures may be approximate. With the multiple processing of complex data and reliance upon information acquired from multiple sources, errors and omissions can and do occur despite reasonable commercial efforts to avoid them. The QData Database is not an official outlet for any organization, but merely compiles the information into one resource. Please note that the seller is sole guarantor of all such information. QData, Sales Management and/or the above listed associations will not be held responsible for errors, but would appreciate their being called to its attention **upon immediate receipt of catalog**, and may be contacted at Jennifer Anderson, Sales@pinkbuckle.com.

DOUBLE REGISTERED HORSES: Neither QData nor Sale Company has any way of knowing when a horse has been double-registered in two breed registries. Although considerable effort is made to determine this, neither QData nor the Sale Company will be held responsible for the knowledge or inclusion of this information.

RECENT SHOW RESULTS:

In an effort to produce pedigrees as current as is possible, QData may obtain show results and earnings from preliminary results, which may not be official at time of catalog printing. Therefore, **those placings and earnings could change**, once show results have been finalized by the show management &/or association.

Terms and Conditions

Horses will sell in catalog order. Please pay close attention to announcements, which take precedence over printed material. ALL ACCOUNTS must be paid immediately following sale. All Payments shall be in U.S. Currency and on U.S. banks only. Payment shall be Cash, Cashier's Check, Personal Check, Credit Card or Traveler's Checks. NO BANK DRAFTS. All registration papers will be withheld until payments clear the bank. Cash buyers may pick up papers the day of sale. All returned checks will be immediately turned over to the County District Attorney's office and charges will be filed! THIS SALE IS CONDUCTED IN ACCORDANCE WITH, AND ALL ACTS OF INTERESTED PARTIES AND/OR CLAIMS BY THEM SHALL BE GOVERNED BY, THE FOLLOWING CONDITIONS OF SALE:

FIRST - APPLICABLE LAW: All horses in this sale are offered according to the laws of the state of Oklahoma.

SECOND - THERE IS NO WARRANTY EXPRESS OR IMPLIED BY THE AUCTIONEER, SPONSORS, OWNER OR CONSIGNOR, AS TO THE PERFORMING SOUNDNESS, MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE OF ANY HORSE OFFERED IN THIS SALE. ALL HORSES ARE SOLD "AS IS" WITH ALL EXISTING CONDITIONS AND DEFECTS EXCEPT AS SET FORTH IN CONDITIONS EIGHTH, NINTH, TENTH AND ELEVENTH BELOW. BUYERS SHOULD EXAMINE HORSES PRIOR TO PURCHASING.

THIRD – BIDDING PROCEDURE: The person making the highest bid recognized by auctioneer shall be the buyer. Buyer shall be immediately presented with a document entitled Acknowledgement of Purchase for signature. Should such presentation not be made prior to commencement of bidding on the next lot offered, the buyer shall forthwith identify himself or herself to auctioneer as buyer and sign the Acknowledgement of Purchase. In the event that a person other than the recognized buyer signs Acknowledgement of Purchase, such action shall not give such other person any right or title to the horse; and as soon as erroneous signing of Acknowledgement of Purchase becomes known to the auctioneer, he shall cause the Acknowledgement of Purchase to be presented to the recognized buyer for signature. If the highest bidder fails to immediately execute the Acknowledgement of Purchase or otherwise fails to comply with the Conditions of Sale, or in the event of a mistake by the auctioneer, Pink Buckle Barrel Horse Sale reserves the option to re-sell the animal and such resale shall terminate all obligations of Pink Buckle Barrel Horse Sale and the consignor to honor any prior bid. Consignors have the right to bid on their own horse.

FOURTH – BIDDING DISPUTES: Should any dispute arise between or among two or more bidders, the auctioneer shall forthwith adjudicate the dispute, and his decision shall be absolute, final and binding on all parties. Bids received by personnel employed by the undersigned have the same stature as bids received by auctioneer. In case of dispute, the bidding shall be reopened for advance bids, and if there be no advance bid, the horse is sold to the person from whom auctioneer recognized the last bid. Advance bidding shall be restricted to the disputing parties, unless the bid be reduced below the level of the recognized bid at commencement of dispute, in which case bidding is reopened to all. The auctioneer reserves the right to reject any or all bids.

FIFTH – TITLE AND DELIVERY: Title passes to buyer at fall of the hammer. All risk of injury to the horse becomes buyer's risk at passing of title. Horse will be held for buyer by consignor until buyer makes settlement as provided in CONDITION SIXTH below. Buyer shall immediately present himself or herself to make settlement if requested by auctioneer, but in any case shall so present himself or herself within thirty minutes of conclusion of the sales session in which the horse was purchased. Upon settlement by buyer, horse will be delivered pursuant to a "stable release" provided by undersigned to buyer or his or her representative. Buyer or his or her representative shall present "stable release" to designee of undersigned to remove horse from sales premises after taking possession, but in any case taking possession of the horse by buyer or his or her representative shall constitute delivery. Upon delivery, buyer shall cause horse to be removed promptly from the sales premises, or shall be subject to stable charges as determined by undersigned. In addition, should purchaser fail to cause horse to be removed promptly, undersigned may cause horse to be removed from sales premises at buyer's risk and expense.

SIXTH – TERMS FOR SETTLEMENT: Buyer shall make settlement with cashier of the undersigned. Payments to others, including consignors or their representatives, do not constitute settlement. Buyer shall present himself to make settlement as provided in CONDITION FIFTH above for the full purchase price, such settlement to be in U.S. currency or equivalent acceptable to cashier. Acknowledgement of Purchase is not transferable without the approval of Pink Buckle Barrel Horse Sale, and the copy of the Acknowledgement of Purchase retained by the buyer must be presented by the buyer at the time of settlement.

SEVENTH – DEFAULTERS: SHOULD BUYER FAIL TO COMPLY IN ANY RESPECT WITH CONDITIONS FIFTH AND SIXTH ABOVE, THE UNDERSIGNED MAY, IN ITS ABSOLUTE DISCRETION, PURSUE ANY REMEDY AVAILABLE AGAINST THE DEFAULTING BUYER, INCLUDING, BUT NOT LIMITED TO, TAKING POSSESSION OF THE HORSE, RESALE OF THE HORSE AT PUBLIC AUCTION OR BY PRIVATE TREATY FOR ACCOUNT OF DEFAULTER. In any such case defaulter shall be liable for any deficit in his account after charging to his account all costs of maintenance and resale, including, but not limited to, service charges, attorneys fees, costs of litigation, and damages available to undersigned.

EIGHTH – WARRANTIES AS TO DESCRIPTION: UNLESS OTHERWISE ANNOUNCED THERE IS NO REPRESENTATION Terms and Conditions continued on next page Terms and Conditions, continued from previous page OR WARRANTY AS TO THE BREEDING QUALITIES OF ANY HORSE DESCRIBED AT TIME OF SALE. 1. Each broodmare selling as “bred to” a stallion will have been palpated within 10 days of sale, and reported at sale as “in foal,” “open/barren,” or “bred” (meaning an insufficient amount of time has passed to determine pregnancy). ANY PURCHASER OF A BROODMARE SOLD IN THIS SALE MAY HAVE THE MARE EXAMINED WITHIN 24 HOURS AFTER THE FALL OF THE HAMMER, AND PRIOR TO REMOVAL FROM SALES PREMISES, by a veterinarian acceptable to the undersigned. Any broodmare so examined whose pregnancy or breeding soundness status is found not to be as represented at the time of sale may be returned to consignor as unsold, and consignor shall pay veterinarian’s fee for examination. 2. Any contractual agreements between owners of broodmares in this sale and owners of stallions to which these mares may have been bred do not follow the mares unless so indicated at time of sale. The possible return to any stallion or possible refund of any stud fees does not go with any broodmare unless so indicated at time of sale.

NINTH – WARRANTIES AS TO SOUNDNESS: UNLESS EXPRESSLY ANNOUNCED FROM THE AUCTION STAND, OR BY OFFICIAL PUBLICATION OF THE UNDERSIGNED, OR AS HEREINAFTER PROVIDED, THERE IS NO WARRANTY OR GUARANTEE OF ANY KIND AS TO THE SOUNDNESS OR CONDITION OR OTHER QUALITY OF ANY HORSE SOLD IN THIS SALE.

TENTH – LIMITED WARRANTIES. Horses which are unsound in eyes or mouth, are “cribbers,” “wind suckers,” or “crypt orchids” must be so announced. Veterinary services are available to bidders; each bidder is encouraged to conduct such inspection and examination of each animal prior to bidding. Except as otherwise announced by the auctioneer at the time of sale, the consignor of each animal represents and warrants to the buyer and Pink Buckle Barrel Horse Sale title to the animal free from all adverse claims to ownership, use or possession. Except for the foregoing limited warranty each animal is sold by the consignor WITHOUT WARRANTY AND WITH ALL FAULTS. In the event that any animal is not as represented in the Sale Catalog or on breach of the foregoing limited warranty (as the Sale Catalog or limited warranty might be modified by announcement at the time of sale) the buyers shall file with Pink Buckle Barrel Horse Sale a written notice of rejection of the animal with such supporting certificates as Pink Buckle Barrel Horse Sale might require within forty-eight (48) hours after the close of the Sale session in which the animal was purchased. If the buyer rightfully rejects the animal in the manner and within the time provided, the animal will be returned by the buyer to the consignor and the consignor will refund to the buyer full purchase price of the animal together with all reasonable expenses incurred by the buyer in connection with the animal from the time of sale until the return to the consignor.

ELEVENTH – CONSIGNEE STATUS: Pink Buckle Barrel Horse Sale is operating as an independent contractor engaged in the business of conducting a consignment sale. Pink Buckle Barrel Horse Sale has compiled the Sale Catalog from information provided by the designated consignor. All announcements by the auctioneer at the time of sale are made on behalf of the designated consignor and will take precedence over the printed provisions of the Sale Catalog. In the event of any dispute between the buyer and the consignor, Pink Buckle Barrel Horse Sale will occupy the position of agent for a disclosed principal and stake holder and will be discharged from all obligations owing to the consignor or the buyer on delivery of any property or funds held by Pink Buckle Barrel Horse Sale to the Court having jurisdiction of such dispute. Pink Buckle Barrel Horse Sale makes NO REPRESENTATION OR WARRANTY with respect to any animal and the buyer must look solely to the individual consignor for recovery of damage by reason of failure of any representation or limited warranty.

TWELFTH – ARBITRATION: 1. Any controversy arising out of a claim arising under WARRANTIES shall be settled by arbitration between the buyer and consignor pursuant to the following procedure: Upon the Sale Management’s determination that a claim under such CONDITIONS OF SALE has been timely and properly presented by the buyer pursuant to these CONDITIONS OF SALE, and upon notice from the Sale Management, the buyer and the consignor shall each select a licensed veterinarian acceptable to the Sale Management. If such veterinarians fail to agree promptly as to the validity of the claim, they or the buyer and the consignor involved in the controversy, shall agree upon a third licensed veterinarian. If such two veterinarians, or the buyer and the consignor, are unable to agree promptly upon the third veterinarian, the Sale Management shall appoint the third veterinarian. The third veterinarian’s fee, expenses and costs shall be paid by the party whose property the horse is determined to be. The panel of three veterinarians shall conduct any tests, investigation, or examinations which they deem necessary, and may, in their discretion, conduct a hearing by notifying the Sale Management to arrange for the hearing, and shall, by majority vote, determine the validity of the claim. The Sale Management shall determine the amount of reimbursement due to a buyer whose claim is found to be valid and may, in its sole discretion, conduct a hearing to aid in making such a determination, and such determination shall be incorporated in the award. 2. Arbitration above shall take place in a location designated by the Sale manager. Judgment upon any award rendered by the arbitrator(s) may be entered by any party and any court having jurisdiction thereof. The Sale Management will be entitled to reimbursement from the party whose property the horse is determined to be for attorney’s fees and other costs incurred, and any related court proceedings.

She is a half sister to Hailey Kinsel's, Sister so we couldn't name her anything but Designer Sister. She is a beautiful, good minded girl who wants to please and is ready to start her job to be a superstar just like her big sister. She's already on that path, she loves to get down and turn!

NOTES

TR Cashen Fiesta is one of the last daughters of +\$1 Million Dollar Producer, TR Double Cash, making her a maternal sister to TR Dashing Badger “Dolly”, 4x NFR Qualifier and 2x Reserve World Champion with over \$800k LTE and producer of over \$1 Million in progeny earnings, still quickly growing! Her sire, Fiesta’s Gotta Gun is out of Firewater Fiesta, the NFR qualifier and multiple time WPRA Horse of the Year with +\$800k LTE who has also proven herself as a producer of top caliber performers and producers alike. Amy was cool and so easy on the barrels before an injury ended her career. We are so excited to have her in foal to Adioss, the up and coming sire by The Goodbye Lane and out of Tres Movidas. Vida, by Tres Seis, has LTE of over \$350k and is out of NFR Qualifier Sheza Blazin Move, with over \$350k LTE. Maternal lines run strong all the way through the top and bottom side of this broodmare who has a huge future in front of her and through her foal in utero! Seller retains the right to 3 embryos, resulting in 3 live foals, at buyers convenience and sellers expense. We are easy to work with and believe in this mare and want to help prove her as a producer!

ELIGIBILITIES

Foal will be eligible for Pink Buckle, Ruby Buckle, Young Guns, Legendary Stallion Stakes, Colorado Classic, and Royal Crown.

Here is an exceptional colt with the pedigree, mind, and physical ability to be an extremely competitive prospect. With around 90 days of riding, he has been used to move cattle and work colts, he has also started tracking the hot heels, and has a light start on the pattern. He is correct in every manner and has a soft handle with an easy disposition. Sired by Aint Seen Nothin Yet out of a strong maternal line with several maternal full and half siblings making their mark through futurity go round/ average wins, and proving to be consistent 1D horses. Rare Jet Extremes has an SI of 102 and was AAA, he was also a money winning head horse sired by Sixarun (the sire of Tres Seis). NOTES

A Blazin dude is the son of \$7.8M+ barrel sire, Blazin Jetolena, and out of NFR Barrel Horse, Dasher Dude, \$570,000 LTE. He is a full brother to Blazing With My Dude, the 2022 Cheyenne Frontier Days Champion, and the 2022 Mountain States Circuit Horse of the Year. Out of proven performer MIRAKUL (\$42,072 QData), who finished fourth at the prestigious Old Fort Days Futurity and was a finalist at the Kinder Cup Futurity, Kinder Cup Slot Race and OKC Futurity. Appropriately named, Mirakul is the only foal out of multiple futurity champion DREAMING OF FOOSE, who tragically died due to an injury while competing in the junior barrel racing finals at the AQHA World Show. DREAMING OF FOOSE (\$105,673 QData) is by champion racehorse Foose and was purchased sight unseen off of Barrel Horse World as an unraced, unbroke 2-year-old. I bought her off a picture, her conformation first and papers second. I told myself that I wanted something so fast that if I made mistake she was still going to clock. Only Cali didn't make mistakes. She swept the Isabella Quarter Horses Slot Race and Ultimate Texas Classic Futurity, won the Patriot Futurity and PacWest 3 Drum Futurity. She was the Reserve Champion at the Parker Wood Memorial Slot and a futurity finalist there as well. She was also a top five finalist at the Diamonds & Dirt Barrel Classic, Greg Olson Memorial, Jackson Hall Memorial and Doxa Extreme Slot Race. Cali was the No. 6 Futurity Horse in the nation in 2017, according to EquiStat, and the WPRA Champion Futurity Horse. Cali also placed at such pro rodeos as the tough Oakley Independence Stampede in Utah and Pikes Peak Or Bust Rodeo in Colorado Springs as a 4-year-old. The third dam on this resulting foal is stakes-placed Hawks Dream Girl SI 95 (\$71,097), by Hawkinson. Hawks Dream Girl had a record of 4 wins, 1 second and 1 third running as a 2- and 3-year-old. She was third in the Governor's Cup Futurity [RG2], and a finalist in the Town Policy Stakes [R] and Southern California Derby [G1]. In addition to DREAMING OF FOOSE, Hawks Dream Girl is the dam of current year barrel racing money earner I FIGHT THE ELEMENTS (\$18,375 QData), also by Foose.

ELIGIBILITIES

Foal will be eligible for Breeders Challenge, Future Fortunes, Pink Buckle, Ruby Buckle, Select Stallion Stakes, Tomorrow's Legends, The Diamond Classic, TQHA Racing, Royal Crown, Texas A&M Legends.

NOTES

Beautiful two year old gelding by Lucky Wonder Horse out of a top producing daughter of Frenchmans Guy. The mare, French Pep A San was raised by Alan Woodbury and has produced exceptional foals by Dash Ta Fame, Lucky Wonder Horse and Jaguarr. This sorrel colt is striking with four white socks and a bold blaze. He is one of four full sibs from the crossing this mare on Lucky Wonder Horse. Full sibs have gone on to both the barrel and roping arenas. This colt is handsome, strong, well built and attractive. If you are looking for a top prospect with great action and athleticism you will be really happy with this young prospect. Lightly started and represented by Marty Powers.

NOTES

This incredibly built stallion has had all of the foundational training done over the last 6 months. From getting broke to ride to working around cattle, we made sure that he has all of the correct training to go on with in any direction. He is very quick on his feet, fast on the hind end and smart. Lightly started on the barrel pattern, he is very soft in the face and eager to learn and do what is asked of him.

NOTES

Beautiful mare that is very good natured and kind. She came out of the womb knowing how to run Barrels and we went along with the way that she wanted to run as it seemed to be an easy way of doing it for her as well as maybe a novice rider or an older rider that felt like they needed to hold the horn. She likes to be close to the barrels, and she likes you to run 1 handed with your hand on the horn and just put your hand forward and let her work. She is very honest and easy, is quite quiet for a 4 year old but spicy sometimes and needs discipline at times. Runs very level and feels very smooth. We feel like she would be great for an older rider that needs a very smooth ride. She does like to paw sometimes and she is used to having hobbles on. She loads and unloads great, good for the farrier and a bath! Easy to haul and gets along with other horses. Consistently sound and has never been injected. On track for the 2026 futurities and currently as of August is about 1 second off fast times in time only. We purchased her mother, and she was in foal to her. We look forward to watching other colts out of her that we have bred run as well as her. Her mother has been the horse that I have run for the past few years as my illnesses were progressively getting worse. She took great care of me and placed in the 1D with multiple jockeys. We believe that this filly has the perfect combo of being trustworthy to turn the barrel but is also free running. She does not seem to want to ever run by a barrel but stays upright and turns on her own at the correct point. If there was a 4 year old that would be good for a young rider she would be it. We have never experienced one as solid, consistent and honest as this filly.

NOTES

Don't miss your chance to own a spectacular cross by the champion sire Tres Seis out of the buckskin mare, Fire Waters Free. Fire Waters Free is believed to be the highest producing living daughter of Fire Water Flit. She is the dam of multiple winners, including the standout mare Perrywater Dash ridden by Skyler Nicholas, with \$365k+ in barrel earnings. Fire Waters Free descends from the legendary Slash J Harletta line, making her a mare that has both produced and stamped her foals with the qualities to win. This foal combines the power and speed of Tres Seis with a proven producing record of Fire Waters Free, a true program-building opportunity for anyone serious about performance genetics. Recipient mare must be returned to Zerlotti Genetics Ltd once foal has been weaned or before Dec 31, 2026. If the recipient mare is not returned, the buyer is responsible for paying current year's replacement value.

ELIGIBILITIES

Foal will be eligible for Pink Buckle, Ruby Buckle, Breeders Challenge, Future Fortunes, Royal Crown, Select Stallion Stakes, Tomorrow's Legends, Triple Crown 100.

JL SASSY DASHER, phenomenal mare by MR Sassy Frenchman on Famous Moonshine (DTF) she has won over 100k in her futurity year with Julia & Joao Leao riding her. Sassy has thought me so much, she's the most talented and sweetest horse I've ever ridden. She's made me believe a 1 in a million could reach my hands. We won over 40k, 3rd 1D in the futurity average at the royal crown 2024, the most blessed week with my favorite girl ever. She's ran in the top of the 1D most of her futurity year and all of her derby year. I can't believe we're selling my girl right now but I've been so blessed to own her and happy that now she can go make another lil girls dream come true just like she did with me. I accomplished things on her I never thought I could. She loves kids and knows how to take care of anyone and any situations comes her way, super calm in the ally, great and easy to take care of and has the most genuine heart ever.

NOTES

What an incredible pairing! This foal truly offers a unique opportunity with the combination of Feel The Sting and Streakin Images. Feel The Sting is quickly becoming one of the most exciting sires in the industry. With his foals already earning over \$1.87 million and that number climbing, he's clearly passing on his athletic ability. But even more impressive is the consistent feedback from owners and trainers. The intelligence, trainability, and willingness of his foals are exactly what every competitor looks for. That speaks volumes about their potential to be successful partners. Then you have Streakin Images as the dam, an earner of over \$100,000 and a three time NFR qualifier with Cheyenne Wimberly. Her proven record as an incredible athlete at the highest level means this foal is inheriting serious talent and a competitive drive. This isn't just a well-bred foal, it's a prospect with the perfect blend of proven genetics for both physical ability and mental aptitude. This one is absolutely set up for success in the arena! Recip Mare must be returned to 70 Ranch Performance Horses at time of weaning.

NOTES

You'll absolutely hit on a fantastic combination with this foal! This is another one that checks all the boxes for someone serious about barrel racing. SR Industry Titan brings incredible credentials to the table: over \$360,000 in lifetime earnings, multiple arena records under various riders, and an NFR qualification. The fact that his oldest foals are just five years old and already proving themselves in the arena is a huge testament to his siring ability, even with limited early crops. Pairing him with Dashin Czar, a money-earning and producing daughter of Tres Seis, truly creates that recipe for a powerhouse barrel horse. This foal is bred to have the beauty, brains, conformation, and athleticism to excel. This one is definitely going to get you noticed everywhere you go! Recip Mare must be returned to 70 Ranch Performance Horses at time of weaning!

NOTES

The Good Bye Lane needs little introduction. His offspring show incredible talent and athleticism in multiple disciplines. This stallion crossed on this beautiful mare will result in an exceptional foal. The foals by Black N Sassy are exceptional athletes and extremely attractive. Here is your opportunity to acquire a TGBL crossed on an own daughter of Jess Sass Me. Black N Sassy is a breathtaking black daughter of Valiant Hero on the very successful cross on the power mare Jess Sass Me. Jess Sass Me has raised so many race winners you will need time to read through her achievements on her pedigree with several of her sons, including a full brother to Black N Sassy, standing at many of the best breeding facilities in North America. This truly is an outstanding opportunity to acquire what promises to be a beautiful champion with great potential. Black N Sassy's full siblings and maternal sibs have won extensively on the track and now its your opportunity to put these same genetics to work in the barrel world. There is NOT a live foal guarantee so we strongly suggest the new owners retain in-utero insurance. The recip mare **MUST BE RETURNED** to In Foal Inc at 2004 Newberry Rd Millsap, TX 76066 by Dec 1, 2026.

4/15/2023 Sorrel Gelding

NOTES

BR IN IT TO WIN IT, affectionately known as “Short Go,” is a striking 2023 sorrel gelding that embodies the drive and potential to excel in the competitive barrel racing arena. He’s bred for speed, athleticism, and a strong will to win, making him an outstanding prospect for a serious competitor. Royalty on both sides of his pedigree: According to 113 Equine, SME ONE OF A KIND (“Mojo”) is by the legendary World Champion and All-Time Leading Sire First Down Dash and out of the renowned two-time WPRA World Champion, Sugar Moon Express (“Martha”) with Lindsay Sears. Western Fortunes notes that Mojo himself is a proven barrel money earner and demonstrated grit and determination returning to competition after a debilitating injury. CONFEDERATESLASTLADY comes from an exceptional maternal line. Her dam, Rods Last Ladybug (1999, by Sharp Rodney), is recognized among the Top 50 Barrel Racing Dams of All Time, currently ranked #9 overall. She has produced 28 money-earning offspring, with combined career earnings of \$1,438,613, averaging \$51,379 per foal across 16 different sires. This remarkable production record places Rods Last Ladybug among the most influential broodmares in barrel racing history. Her best cross has been with Dash Ta Fame stallions, reinforcing the strength and consistency of her bloodline. This powerful maternal influence directly contributes to the proven ability, athleticism, and earning potential seen in Confederates Last Lady and her foals, including BR In It To Win It. CONFEDERATESLASTLADY herself has already earned over \$81,000 (Equi-Stat reported earnings) and is just now entering her prime, indicating her sustained talent and longevity in the sport. This exceptional mare is an own daughter of CONFEDERATE LEADER, a sire of money earners and a force in the barrel racing world. Her progeny have demonstrated their talent, with Epic Leader progeny earning over \$5.8 million, notes QStallions. Bred for the Pay Window: “Short Go’s” pedigree boasts a lineage steeped in barrel racing champions and money earners. This strong genetic foundation sets him up for success in the futurity and derby circuit, and beyond, positioning him to consistently be “in the hunt” for those coveted short go appearances. As a young prospect, BR IN IT TO WIN IT is started under saddle with Chance Harmon and is ready to begin his training in the discipline of your choice. Given his exceptional pedigree, SME One Of A Kind is known for having a good mindset and being a willing and quick learner, and his maternal line demonstrates a strong will to win. We anticipate he will excel in barrel racing, displaying the same speed, athleticism, and trainability seen in his ancestors.

Foal In Utero

Reference Sire

Reference Dam

NOTES

This is another incredible cross with immense potential in the barrel racing world. With The Goodbye Lane as the sire, bringing in over \$14 million in progeny earnings, you're starting with a proven foundation of excellence. Then, adding Designer Ruby as the dam, with over \$600,000 in progeny earnings herself and being the dam of the outstanding NFR mare, Hell On The Red, that truly solidifies the genetic potential for success. This foal clearly has the pedigree for talent, athleticism, conformation, and unlimited potential. The fact that it's eligible for all the right incentives is just the icing on the cake, making it even more attractive for someone looking to compete at the highest levels. This one is definitely bred to be a champion! Recip mare must be returned to In Foal Inc at time of weaning.

ELIGIBILITIES

Foal is eligible for Pink Buckle, Ruby Buckle, Riata Buckle, Royal Crown, Breeders Challenge, VGBRA, Future Fortunes, C-N Futurity, Select Stallion Stakes, Colorado Classic, SW Desert Classic, Barrel Breeders Incentive, Tomorrows Legends, Top Shelf Breeders, Diamond Classic.

NOTES

This is a very gentle stallion with a great disposition. He has been at a barrel trainer for over 180 days and is patterned very well. He has just been running a few time only's at this time and has not been pushed hard. We are very excited to see what this horse can do in the future. He has at an age that he is ready to perform. Timmie's dam is a 2008 mare by Frenchmans Feature, her LTE is approximately \$100,000.00 running barrels in Indiana and Illinois. She is very consistent. Always makes the same run. No mistakes. We sent Timmy to a trainer as a 3 year old, he seems to run a lot like his mother. We brought him home and turned him out to grow. He is very gentle and kind. Is going to have a lot of speed. Whoever gets him is going to love him. We left him a stallion, because someone might want him to breed, being a cremello. He is 100% guaranteed to throw palominos and/or buckskins. His semen is good, we collected him and tested it. We bred one mare and she is in foal. The dam of Epic Moon L7, First Velvet Moon L7 was in barrel training, showing great promise and had an injury. She was unable to continue. She is a big beautiful grey mare, big feet, good bone and a great mind. We love her.

ELIGIBILITIES

Paid into the Pink and Ruby Buckle. Eligible for the Diamond Classic, Colorado Classic, Future Fortunes, Breeders Challenge, Tomorrows Legends, Classic Of The South, Young Guns, VGBRA.

NOTES

Feelin the Shine is an impressive, stout, bay roan stud colt with exceptional bloodlines that can lead him in the direction you desire! His sire, Feel the Sting, is quickly making a name for himself as one of the most exciting sires in the industry. His progeny has already amassed over \$1.87 million in earnings, a number that keeps growing, showcasing his ability to pass on his athletic talent. Even more impressive is the consistent stream of positive reviews from owners and trainers: the intelligence, trainability, and enthusiasm of his foals are exactly the traits that every competitor looks for. His dam, Badgers Shiny Pistol, spent a year competing in the arena as a rope horse on the heel side. She has successfully passed on her conformation and skills to this young stallion. Whether you are in search of a barrel horse or a rope horse, this combination has proven to yield excellent conformation and temperament. Eager to learn, this stud colt could very well be your next all-around stallion prospect!
